Strengthening Families Program – For parents/caregivers with children ages 9-14 (In Person) - Strengthening Families is a science-based program which includes the entire family. It's designed to further develop family relationships and improve communication by helping parents/caregivers practice limit setting with love while helping children develop critical life and social skills. Lessons focus on family management techniques, decision making, coping with stress, communication, and more.

Participants of Zoom programs will receive an email & text with the Zoom link at least 24 hours before the program.
